### Task 3 – READING COMPREHENSION

You are going to read an article about Robin Hood. Eight sentences have been removed from the article. Choose from the sentences A-K the one which fits each gap (1-7). There are two extra sentences which you do not need to use. There is an example at the beginning (0). Write the correct letter on the Answer sheet.

#### Who was Robin Hood?

Stories and rhymes about a band of robbers led by a man called Robin Hood have been popular for over 600 years. Five hundred years ago, a man called Wynken de Worde collected the rhymes together and printed a book about Robin Hood's life. Since then, thousands of other books have been based on the rhymes - as well as television programmes, films and computer games. (0) B

The Robin Hood stories were certainly very popular with King Henry VIII, who ruled England at the start of the 16th century. Henry was a child when the stories first appeared in print, but they fascinated him for the rest of his life. (1) \_\_\_\_\_

After all this time it is hard to tell how the stories began. Some people think that Robin Hood is a fictional character; others think he really lived, and they argue about which part of England he was from.

(2) \_\_\_\_\_ The idea that they were stealing from rich folk to give to the poor has saved them from being branded as villains. They certainly chose their victims carefully, sparing the poor and picking on those who were wealthy and proud.

(3) \_\_\_\_\_ That is someone who has to do fetching and carrying work, and the idea fits in badly with all the other stories about his life and character. Enthusiasts prefer to believe that he spent the whole of his life in the woods. They say that most of the stories about him are perfectly true - but not this particular episode. (4) \_\_\_\_\_ On the other hand, they cannot explain why anyone would ever invent such a story, which ruins the whole Robin Hood romance.

(5) \_\_\_\_\_ They have studied Edward II's accounts, which show the wages he paid to his workers - including a porter called Robin Hood. In November 1324, Hood received his final payment: 'five shillings because he could no longer work'. (6) \_\_\_\_\_ If so, Robin Hood was a genuine outlaw who lived in the reign of Edward II. His career of crime was apparently brought to a sudden end when he was captured and made to work as a servant. (7) \_\_\_\_\_

- A** Historians have tried to check the facts by looking for clues in all sorts of places.
- ~~**B** All these things have spread his fame throughout the world.~~
- C** One story says that Hood was captured and made to work as a porter at the court of King Edward II.
- D** According to the stories, Robin Hood and his men were thieves who pounced on wealthy travellers in lonely woods.
- E** They prefer the idea of a Robin Hood who was free and defiant from birth until death.
- F** Even as a child Robin probably played with a bow and arrow, pretending to fight bullies and save ladies in distress.
- G** We cannot be sure that this is the famous Robin Hood but it seems very likely.
- H** As a man he sometimes wore Robin Hood costumes for dances and May Day celebrations.
- I** Finally pensioned off in old age, his life did not quite match up to the stories!
- K** Yet, almost always, Maid Marion is Robin Hood's true love and, according to the local legend, they remained together for the rest of their lives.

**(7 points)**

## Tasks 4 - 9 – ENGLISH IN USE

### Task 4 - Open cloze.

Read the text below and think of the word which best fits each space.

Use only one word in each space. There is an example at the beginning **(0)**.

### Perfect fish and chips

You can find **(0) many** fish and chip shops in England, but **(1)** \_\_\_\_\_, if any, are as popular as the one in Eastleigh, not far from Southampton. From the time it opens at 5 o'clock until closing time at 9, there is an almost constant queue.

According to the owners, Les and Shirley Armstrong, there are four areas that must be perfect in **(2)** \_\_\_\_\_ to achieve great fish and chips. First, of **(3)** \_\_\_\_\_, you need the fish. The Armstrongs do not use fresh cod, which Les says goes soft and mushy. Instead, they buy frozen Icelandic cod, which is filleted and frozen within three hours of **(4)** \_\_\_\_\_ caught. When you fry it, it stays firm and comes apart in lovely white flakes. Next on the list are the potatoes. If you want to make perfect chips, Les suggests you should buy potatoes with a low sugar content; too much sugar and you end up with greasy, brown chips.

Then there is the batter, a mixture of flour, eggs and milk which is used to cover the fish before frying it. The Armstrongs dip their fish in a combination of two types of batter;

**(5)** \_\_\_\_\_ contains hard flour, the other soft. Finally, you need a good beef fat, or 'dripping'; Les and Shirley fry their fish and chips separately in a high-quality deodorized dripping that cannot **(6)** \_\_\_\_\_ smelt in the shop.

**(6 points)**

**Task 5** - Put the following sentences into **indirect speech**. Make sure that the second sentence has the same meaning as the first one, i.e. that it can stand on its own as a complete sentence.

**(1)** "How hard did Thomas strike the ball?"

I'd like to know \_\_\_\_\_.

**(2)** "Jane, do you intend to come to the party?"

He wants to know \_\_\_\_\_.

**(3)** "I've applied, but I'm wondering if I want the job."

Tracy says \_\_\_\_\_.

**(3 points)**

**Task 6 - Word transformation** - Read the text and use the word given in **bold** at the end of each line to form a word that fits in the gap in the same line. There is an example at the beginning **(0)**.

<p><b>A changed person</b></p> <p>I don't see my teenage godson as <b>(0) frequently</b> as I did in the past and when I visited him and his family today I was <b>(1)</b> _____ surprised. He's changed <b>(2)</b> _____ since the last time I saw him. Whereas he used to be such a horrible <b>(3)</b> _____ little boy, now he is extremely well-behaved and a <b>(4)</b> _____ to be with. He seems to attach more <b>(5)</b> _____ now to what others might be thinking of him and he takes more care over his appearance. He has developed greater <b>(6)</b> _____ in himself and his own judgement and he puts up stiff <b>(7)</b> _____ to his parents' advice and decisions if he feels they are wrong. <b>(8)</b> _____ he is beginning to take an interest in girls and his mum tells me he's got a girlfriend. These, it seems, are his first steps towards <b>(9)</b> _____ and it won't be very many years before he leaves home.</p>	<p><b>(0) FREQUENT</b>  <b>(1) PLEASE</b>  <b>(2) SIGNIFY</b>  <b>(3) OBEY</b>  <b>(4) PLEASE</b>  <b>(5) IMPORTANT</b>    <b>(6) CONFIDE</b>  <b>(7) RESIST</b>  <b>(8) APPEAR</b>    <b>(9) DEPEND</b></p>
---	--

**(9 points)**

**Task 7 - Sentence transformation.** Complete the second sentence so that it is as similar as possible in meaning to the first sentence using the given word. Do not change the given word. Use between THREE and FIVE words, including the given word. There is an example at the beginning **(0)**. Copy only the transformed part on the Answer Sheet.

**(5 points)**

**Task 8** – Complete the text with an appropriate tense of the verbs given. Decide whether **active or passive** forms are needed. Sometimes the verbs need a negative form as well. There is an example at the beginning **(0)**.

catch    commit    do    drive    hear    hurt    know    rob    show    steal    wait

Earlier this morning, I **(0) was waiting** peacefully at the bus stop, leafing through the gossip magazine. Just a few seconds later, I **(1)** \_\_\_\_\_ a gunshot – the bank **(2)** \_\_\_\_\_ ! I immediately called the police on my mobile, and as I **(3)** \_\_\_\_\_ so, a car, which **(4)** \_\_\_\_\_ by a third man, pulled up outside. The other two jumped in and they all drove off. Details of the men **(8)** \_\_\_\_\_ on the TV later this afternoon, but what we know for sure is that the police **(9)** \_\_\_\_\_ them yet. This is definitely a dangerous world we are living in. Are you aware that thousands of crimes **(10)** \_\_\_\_\_ every day?

**(10 points)**
